

## Cryptic Logic Untangled – #1 Double Definitions

Clues of this type separate into two definitions, hence the name. You just have to work out where to split the clue. Some of these examples are from crosswords compiled by our own JH:

Divide bough (6) => BRANCH

Anxieties and accents (8) => STRESSES

Poet goes up in smoke (5) => BURNS

Longs to suffer pain (5) => ACHES

Takes a look at the upper classes (5) => PEERS

Making a hole dull (6) => BORING

Make holes in soldiers training (5) => DRILL

Tugboat may extend far upwards (5) => TOWER

Critical news: french fries at reduced prices! (3,5,3,4) => THE CHIPS ARE DOWN

Drop cheese or pumpkin on NSW town (5) => SCONE

Rich like a pig in mud (7,2,2) => ROLLING IN IT

Rich like a gun ready to fire (6) => LOADED

Rich fresh from the cobbler (4-6) => WELL-HEELED

Tired? Don't lean so much (8) => LISTLESS

Leaves a supplier of spares (5,7) => PARTS COMPANY

Where a pencil-user looks to be relevant (2,3,5) => TO THE POINT

Notice how both definitions are strung together in a way that reads like a single statement. This sort of misdirection is a deliberate ploy to hide the two parts in plain sight.

Sometimes:

- the definitions switch from noun to verb or adjective;
- the same answer is pronounced in two different ways;
- extra link words are added to make the clue flow more smoothly;
- definitions may be more vague or loose than you'd expect in a normal crossword.

Such are the tricks you need to see through as you parse the clue for its two component parts.

*In the crossword below, all clues are of the Double Definition type.*

## Crossword #1 – Double Definitions

1		2		3		4		5		6		7
8								9				
			10					11				
12		13
