

MYSTERY HISTORY

This term we are going to delve into a wide and interesting pool of topics- all a delight to learn about and much to discuss. We are going to do some armchair travel around the world- comfort ***and*** a cup of tea as we discuss Harry Houdini, the work of Geisha girls, the life of a famous authoress, the wife of a dictator and even some Greek myths. Come along and join the group as we dash hither and thither enjoying history in all its glory and of course, enjoy a cup of tea with each other as well.

This course will run each Tuesday, commencing at 10am in the RSL Club Rooms in Drouin, during Term 1, 2023.
